## **Emerson & Cuming Microwave Products Announces New Representative Firm, Amplitude Technical Sales**

Randolph, MA – December 1, 2009-- Emerson & Cuming Microwave Products has signed on Amplitude Technical Sales, which will serve as the exclusive sales rep to cover Eastern Pennsylvania, Southern New Jersey, and Delaware.

For 15 years, Amplitude Technical Sales has been serving the needs of the RF/microwave industry. Joseph J. D'Agostino, Jr, founder and president of Amplitude Technical Sales, leads a highly experienced team dedicated to the growth and development of this industry.

According to Mike Plante, Director of Sales and Marketing, *"Amplitude Technical Sales will be a strong addition to the Emerson & Cuming Microwave Products sales rep network"*.

Amplitude Technical Sales is located at 252 West Swamp Road, Suite 7, Doylestown, PA 18901. Phone: (215) 340-0123. URL [www.ampsales.com](http://www.ampsales.com)

Emerson & Cuming Microwave Products, Inc., an ISO 9001:2000 company is a world leader in the development and manufacturer of ECCOSORB<sup>®</sup>, microwave absorbing materials and anechoic chambers; ECCOSTOCK<sup>®</sup> dielectric materials for low loss RF and microwave applications; ECCOSHIELD<sup>®</sup> electrically conductive sheets, caulks, adhesives and coatings; and MetalTag<sup>™</sup>, metal mount RFID tags, for read on metal and liquid applications. Emerson & Cuming Microwave Products, maintains manufacturing facilities in Randolph, Massachusetts (US) and Westerlo, Belgium.

For over 60 years, the company has produced leading edge materials and engineered solutions for the wireless and satellite communications, military and aerospace, automotive, RFID and medical markets. For additional information, contact the company in North America at Tel: 1-800-650-5740 or 781-961-9600; in Europe at Tel: +32-(0) 14-56 25 00; or point internet browsers to [www.eccosorb.com](http://www.eccosorb.com).
